Advantages over Webex

❖ **No Software to Install**
No software to install means reaching your conferencing room as easy as opening a web page.

❖ **Save up 50% of your Webex Bill**
No fee for additional hosts, no voice conferencing fee. Flexible and affordable packages!

❖ **Customization**
Fully customizable rooms to keep your brand identity

❖ **Scalability**
World's only platform to reliably host meetings with up to **5,000** participants

omNovia vs. Webex

Do you want to reduce your web conferencing cost and offer a more user-friendly platform to your attendees at the same time? Join the ever-growing number of companies switching to omNovia from Webex every day!

No Software to Install

Unlike Webex, omNovia requires no software to install. Your attendees can join the meeting simply by clicking a URL, with no annoying wait times. With omNovia's user-friendly interface, you can focus on meetings, not the technology.

Reduce Your Web Conferencing Cost

You can save up to 50% of your Webex bill by switching to omNovia. Start using omNovia and never pay for additional hosts, voice conferencing, hosting or IT support related expenses again.
With omNovia's flexible plans, you will be paying for the great service you receive, not for the name.

Fully Customizable Rooms

Aren't you bored of having your online meetings in Webex's uniform rooms? With omNovia's fully customizable rooms, you can preserve your company's identity. Have your meetings in omNovia's customizable rooms that keep your company's look and feel.

Large Webinars up to 5,000 Participants

omNovia is the world's only web conferencing platform that can reliably host meetings with up to **5,000** participants in a single virtual room. Never reschedule a meeting due to limited capacity again!

Below are the major advantages of the omNovia over Webex*:

Features	omNovia Pro	Webex
Ease of Access and use	No software to install	Requires large Activex install
